Mumbai – 400 018 and (hereinafter referred to as “MLL/Service Provider”, which expression shall, unless repugnant to the meaning or context thereof, mean and include its successors in interest and assigns), represented by its authorized signatory, of the Other Part;

(Hereinafter the Company and the Service Provider shall be individually referred to as the “Party” and collectively as the “Parties”)

WHEREAS:

- A. The Company inter alia through its Automotive Division is engaged in the business of manufacturing and selling of utility vehicles, spare parts, and accessories thereof;
- B. The Service Provider is engaged in providing integrated logistics services to various companies including corporate;
- C. The Service Provider is carrying on business of providing **Inbound and IUTN Transportation Services** (hereinafter referred to as “the said Services”) to several companies/establishments and it has the necessary expertise and infrastructure to provide the said Services;
- D. The Company is desirous of making arrangements of transportation services of Goods and/or Materials as defined in Annexure I, at its all-manufacturing plants, situated at Kandivali, Nashik, Chakan Igatpuri, Zaheerabad and Haridwar (hereinafter referred to as “the said Premises”);
- E. The Service Provider has expressed its willingness to provide the said Services as required through its Business Associates (BA), and the Company has agreed to avail said Services for the consideration and on the terms and conditions set out hereinafter;
- F. The Parties are now desirous of recording in to writing the specific terms mutually agreed to, between them, which will govern the provisions of the said Services.

NOW THIS AGREEMENT WITNESSETH AND IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. APPOINTMENT

M&M appoints MLL as the service provider for said Services at its all manufacturing plants, situated at Kandivali, Nashik, Chakan, Igatpuri, Zaheerabad and Haridwar or different places in India as per the directions and instructions provided by M&M from time to time and MLL accepts such appointment.

2. SCOPE OF WORK:

During the tenure of this Agreement, the Service Provider undertakes to and shall be responsible for providing the said Services on the said Premises of the Company. The details of the said Services to be provided by the Service Provider are more particularly set out in **Annexure I** hereto. The Company and Service Provider may

mutually agree to handover / takeover any other significant activity, separate Service Level Agreement (SLA) may be drawn up for the same from time to time. The SLA shall be reviewed on quarterly basis and amended on every financial year. SLA amendment will be jointly agreed between M&M and MLL by Head - Inbound Logistics AD and GM - MLL and shall be documented in writing.

3. TRANSIT TIME:

The details of transit time are mentioned in Annexure V, which is linked to statement of work (SOW) given in the RFQ, hereto for delivering the said Services which are more particularly described in Annexure I.

4. OBLIGATION OF SERVICE PROVIDER

a. For the purposes of providing the said Services and for effectively carrying on its obligations under this Agreement, the Service Provider will have the absolute discretion to deploy such personnel (numbers and category/type) including supervisors, in the said Premises as it deems fit. However, all liabilities and obligations on account of the said personnel shall be that of the Service Provider alone. The Service Provider hereby agrees to indemnify and keep indemnified the Company against any claim, loss, damage, cost, charges, or expenses incurred or suffered by the Company on account of the liability of the Service Provider towards its personnel.

b. It shall be the responsibility of the Service Provider to ensure that the personnel deployed by it possess the necessary skills and training to carry out the jobs entrusted to them. It shall also be the responsibility of the Service Provider to ensure that the said personnel shall carry proper identity cards/band of the Service Provider.

c. The Service Provider shall ensure through its supervision that its personnel, while on the said Premises of the Company, or while carrying out their obligations under this agreement, observe proper standard of quality of work, decorum, rules / provisions (statutory / non statutory) relating to health, safety, environment protection and general discipline.

d. Without prejudice to what is stated in above Clause, in the following circumstances, the Company shall be entitled to ask the Service Provider to withdraw any such personnel and replace him with another:

(i) If any of the personnel deployed by the Service Provider is found indulging in any kind of misbehavior, indiscipline, or criminal act.

(ii) If any of the personnel by the Service Provider, is found suffering from any chronic or contagious disease.

(iii) If there is any other reason as a result of which the Company feels that the personnel of the Service Provider are an impediment within the said Premises.

(iv) The Service Provider also undertakes to co-operate and participate in all the activities / training organized by the Company, in relation to health, safety,

environment, as and when required by the Company and also abide by the rules/policies framed by the Company, in this regard from time to time.

(v) The Service Provider undertakes that it has complied with and agrees to comply with all the necessary statutory requirements as applicable to its business for providing the said Services. The Service Provider shall also comply with the provisions of the Minimum Wages Act, 1948, the Payment of Wages Act 1936, the Employees' Provident Funds & Miscellaneous Act, 1952, The Employees State Insurance Act, 1948, Sales Tax Act, 1959 and such other statutory enactments/rules and regulations laid down by the Government or local body whether related to labour, commercial or other laws in force/coming into force which may apply to this agreement/contract and any liability on account of non-compliance or violations thereof by it, shall be solely to the account of the Service Provider and the Company shall not be responsible for any breach or violation by the Service Provider. The Service Provider hereby agrees to indemnify and keep indemnified the Company against any claim, loss, damage, cost, charge, or expense incurred or suffered by the Company on account of any breach or violation of the necessary statutory requirements by the Service Provider.

5. OBLIGATION OF THE COMPANY:

- i. M&M shall provide all necessary assistance in the form of data, information SAP IDs, IT related Network connectivity, stationary, necessary trainings, and seating arrangements etc. wherever required by MLL to carry out the said Services, more effectively.
- ii. M&M shall provide all the requisite documents including permissions/approvals and permits as applicable.

6. OBLIGATION OF BOTH THE PARTIES:

a. For the purpose of enabling the Service Provider to effectively carry on its obligations under this agreement, the Service Provider and the personnel deployed by it shall be entitled to enter upon the said Premises to carry out the said Services on behalf of the Service Provider. However, it is clearly understood by the Parties that such entry shall be for the limited purpose of carrying out the obligations of the Service Provider under this agreement and shall not create any rights of any nature whatsoever in favor of the Service Provider or its personnel.

b. The Company and the Service Provider shall identify a co-coordinator each, who will be the single point of contact for the other Party. In case of any abnormal event or matter occurring during the period of providing said Services, the Service Provider or his representative shall report the same to the Company representative.

7. REPRESENTATIONS AND WARRANTIES:

7.1 Both the Parties represents and warrants that is authorized to enter into this Agreement and that this arrangement is a valid and binding obligation upon the Party, and that the execution and performance of this Agreement by the other Party is lawful and does not constitute a default, acceleration, or termination of any other agreement to which such Party may be a party.

8. DURATION

This Agreement is valid for three (03) years and shall be deemed to be effective from 1st April 2022 and valid up to 31st March 2025 unless terminated earlier and can be renewed on mutually agreeable terms and conditions for such further periods at the end of the tenure of this Agreement.

9. CONSIDERATION:

a. In consideration of the said Services to be provided by the Service Provider, the Company shall pay based on the principal of the schedule of Service charges attached as per Annexure II. The fixed remuneration will be paid on monthly basis while the variable remuneration towards logistics cost savings will be paid on quarterly basis. The Company shall pay the transportation charges to the Service provider at the agreed rates. The said rates are subject to change after mutual discussion and agreement between both the Parties in writing.

b. During the tenure of this Agreement, the Service Provider shall also provide such other services of similar nature, as may be mutually agreed by the Parties from time to time. The cost of such other services shall be paid against the separate invoices to be raised by the Service Provider.

c. For Inbound and IUTN transportation Services rendered, M&M - AD will pay MLL based on agreed rates & the contractual terms between MLL and its BA's (M&M - AD would award same terms to MLL).

d. Any escalation in Fuel cost and revision in Toll tax & State entry taxes as per SOW shared in the RFQ.

10. CONFIDENTIALITY

Both the Parties hereby assures to each other that all information, details, documents, etc. which the other Party gets in possession of by virtue of the agreement, will be kept confidential. The receiving Party is not permitted to share or use this for any purpose whatsoever except where the same is expressly approved / requested by the disclosing Party in writing. Both the Parties further assures not to use the logos, trademark, design used by the either Party for any purpose except with the express consent of other Party in writing. This clause shall survive 2 years from the date of termination of this Agreement.

11. LIMITATION OF LIABILITY:

i). Unless otherwise expressly agreed to herein, neither Party shall be liable to the other Party for any indirect, incidental, or consequential loss, loss of profit, damage, expense, or cost arising out of performance or non-performance of its obligations under this Agreement.

ii). Title in all Goods and/or Materials under the purview of this Agreement whilst in the said Services between Service Provider and the Company, shall, remain with the Company.

iii). In the event of any accident occurred, the same shall be treated as an accidental case and shall be dealt as per transit damage & claim policy. Claim recovery if any will be applicable as per the mutually agreed Damage Policy).

iv). In the event of any accident occurring on the said Premises due to the fault or negligence of the Company, the same shall be treated as an accidental case and shall be dealt as per the insurance coverage of the product and/or property which are duly insured by the Company. It is the responsibility of the Company to keep alive all the insurance policies for the Goods and/or Materials for all eventualities/possibilities.

v) Notwithstanding to whatsoever contained in this agreement the aggregate liability of the Service Provider under this agreement shall be limited to one month's service fees except for liability arising under clause 11 (iii).

iv) However, the aforementioned limitations of liability shall not apply in the following events:

- a) Claims arising due to breach by MLL of any third party intellectual property rights or M&M's intellectual property rights
- b) liabilities that arise from a breach of its confidentiality or data security obligations by MLL.
- c) liabilities that arise from a breach by MLL of its obligations to comply with laws.
- d) liabilities that arise from fraud by MLL
- e) liabilities of arising from willful misconduct, misrepresentation, and gross negligence by MLL.
- f) liability of in case of personal injury.

v) Notwithstanding anything to the contrary, the maximum aggregate liability of M&M under this Agreement shall be limited to one month's service fee paid to MLL.

vi) This clause shall survive termination of this Agreement.

12. RISK INSURANCE AND INDEMNITY:

i) The Company may hand over any material to service provider including gas, oil, speakers, and airbags. Service provider will not take handover of any insufficiently documented Goods and/or Materials for transportation. The Company shall hold Service Provider harmless against any claims initiated against Service Provider in this regard.

ii) Service Provider holds no responsibility to indemnify for any loss whatsoever due to:

- a. Non-adherence of delivery of consignment by the Company against communicated schedules, or rejection or non-delivery by the Company for consignments sent in excess and/or beyond schedule.
- b. Goods and/or Materials and/or Consignment detained by R.T.O., Government Authorities, GST & Customs for examination or as the documents related to the consignment are not in place or otherwise excluding IUTN & warehouse/Crossdock movements where Eway bill is being generated by MLL.

iii). Any damages to the vehicle and/or 3rd party, passenger occurred in transit shall

be solely treated as an accident case and the same will be dealt as per the coverage of the insurance policy of the Business Associate's vehicle. It is the responsibility of the Service Provider to ensure that all vehicle drivers as may be deployed by Service Provider through its Business Associates shall have valid driving license and shall be free from any criminal records & physically fit. Trucks deployed to have all necessary valid documents as & when required.

iv). Transit Insurance of Goods and/or Materials may be done by the Company, at its sole discretion. However, Service Provider will provide all necessary documents through its business associates (BA) to the Company for their claims of insurance, in case of any kind of damage including but not limited to loss or theft as and when necessary.

v) Eventualities: On the occurrence of eventualities like hijacking of the vehicle, theft, etc. If required, the joint inspection by the Company and Service Provider through its BA should be conducted at the earliest, to decide the amount of loss. Service Provider will file FIR through its BA and provide the copy to the Company for their claim from Insurance. IN case of Theft the service provider will provide the closure report also from the respective court or police station. Service provider will be liable to pay for the amount of goods in case the theft done by their driver

vi) Any other such incidences & matter to be under the purview of Transit Damage & Short receipt policy as agreed and signed by both parties from time to time as per annexure 4.

vii) Subject to the terms and conditions of this Agreement, MLL ("Indemnifying Party") shall indemnify, defend and hold harmless M&M, its assigns and its representatives ("Indemnified Party") against any and all direct losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including attorneys' fees, fees and the costs of enforcing any right to indemnification under this Agreement and the cost of pursuing any insurance providers (collectively, "Losses"), resulting from any claim of a third party or Party alleging:

- (a) breach or non-fulfillment of any representation, warranty, or covenant under this Agreement by Indemnifying Party or Indemnifying Party's personnel.
- (b) any negligent or more culpable act or omission of Indemnifying Party or its personnel (including any recklessness or willful misconduct) in connection with the performance of its obligations under this Agreement; or
- (c) any bodily injury, death of any Person or damage to real or tangible personal property caused by the willful or grossly negligent acts or omissions of Indemnifying Party or Indemnifying Party's personnel; or
- (d) any failure by Indemnifying Party or its personnel to comply with applicable Laws.

viii) The obligations under this clause shall survive for a period of 1 year post termination of the Agreement, however if any indemnity obligation has arisen prior to the termination of this Agreement then MLL shall still be responsible for the indemnity obligation.

13. TERMINATION:

i) In the event of breach of any of the terms and conditions of this Agreement by either Party, both the Parties shall be entitled to terminate this Agreement by giving 90 (ninety) day's written notice in advance.

ii) Either Party shall be entitled to terminate this Agreement by giving 180 (one hundred and eighty) day's written notice in advance to other Party.

14. EFFECT OF EXPIRATION OR TERMINATION

a. On expiry of this agreement or its earlier termination as provided hereinbefore, the Service Provider shall remove itself and all the personnel deployed by it and other articles belonging to it from the said Premises without creating any nuisance, failing which the Service Provider shall be deemed to be a trespasser and the Company shall be entitled to take necessary legal action.

b. Upon expiration/termination of this Agreement, Service Provider shall become immediately entitled to the amounts due to it from the Company under this Agreement and the Company shall make payment to Service Provider within seven (7) days of the expiration/termination for the said Services provided by the Service Provider till the effective date of termination notice to the satisfaction of the Company. The Service Provider is obliged to render the said Services during the notice period of termination and the Company is obliged to pay for the same on or before the effective termination date as per the freight rate as mentioned in ANNEUXRE-II.

15. NOTICE:

Notices, correspondence, demands, or other communication required to be given to any Party under this agreement shall be in writing and delivered personally or sent by registered post or through any recognized courier to its address set forth below or to such other address as any party may from time to time duly notify to the other party.

16. RELATIONSHIP BETWEEN PARTIES

It is understood by the Parties that this Agreement is strictly on a principal-to-principal basis.

Nothing in this Agreement is to be construed to make the Company and MLL a partner, an agent or legal representative of the other for any purpose. Neither Party has any right or authority to accept any service of process or to receive any notices on behalf of the other Party or to enter into any commitments, undertakings, or agreements purporting to obligate such other Party in any way, or to amend, modify or vary any existing agreements to which such other Party may be a party. Each Party will be solely responsible for compliance with any laws, decrees, regulations or orders affecting the agents, representatives, employees or workers of such Party, and will hold the other Party harmless from any claims whatsoever arising in connection therewith.

17. FORCE MAJEURE

- i. Neither Party shall be liable for any failure or delay on its part in performing under this Agreement if such failure or delay is due to "Force Majeure" conditions in whole or in part such as strikes or other labour troubles, direct or indirect acts, regulations or orders including restrictions and other licenses imposed by the governments, wars, riots, fire, floods, earthquakes, and other acts of God or of the Public enemy, and any other causes beyond the control of such Party.
- ii. The Party affected by such Force Majeure condition shall forthwith notify the other Party of the nature and extent thereof and shall make best efforts to mitigate such condition. The performance under this Agreement shall be suspended for the period during which the Force Majeure conditions continue. However, if the Force Majeure condition in question prevails for a continuous period of fifteen (15) days or more, the Parties shall enter into bona fide discussion with a view of alleviating its effect on this Agreement by such alternative arrangement as may be fair and reasonable.

If the Force Majeure condition continues for a period of more than thirty (30) days, then either Party shall be entitled to terminate this Agreement by giving prior written notice to the other.

18. GENERAL TERMS

- i. Compliance with Laws. Both the Parties will perform its obligations under this Agreement in strict compliance with all Applicable Laws.
- ii. All notice and correspondence to either Party shall be deemed to be properly served if sent to their respective address mentioned herein above. For enabling swift business communications, both parties shall provide their e-mail addresses to expedite official correspondence and documents.
- iii. Waiver: Failure of either Party at any time to require performance of any provision of this Agreement shall not affect the right to require full performance thereof at any time thereafter, and the waiver by any Party of a breach of any provision shall not be

taken to be a waiver of any subsequent breach thereof or as nullifying the effectiveness of such provision.

iv. Amendment: This Agreement shall not be amended, altered, or modified, or any provision herein shall not be waived except by an instrument in writing expressly referring to this Agreement and signed by the duly authorized representatives of both the Parties and no verbal Agreement or conduct of any nature relating to the subject matter hereof or to the relationship between the Parties will be considered valid and enforceable.

v. Severability: If any part, or provision of this Agreement not being of a fundamental nature, is held illegal or unenforceable, the validity or enforceability of the remainder of this Agreement shall not be affected if such part, term or provision of this Agreement is severable from the rest of this Agreement without altering the essence of this Agreement. If such part, term or provision is not so severable, then the whole of this Agreement shall stand terminated, unless the Parties thereupon negotiate in good faith in order to agree to the terms of a mutually satisfactory provision, achieving as nearly as possible the same commercial effect, to be substituted for the provision so found to be invalid, illegal or unenforceable.

vi. Headings: The clauses, headings and paragraphs contained in this Agreement are for general reference and guidance and shall not be conclusive as to the meaning or interpretation of this Agreement.

vii. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, and representations whether oral or written. No supplement, modification, addendum, or amendment of this Agreement will be binding unless in a writing which states that it is an addendum or amendment of this Agreement, and which is signed by an authorized representative of each party.

viii. Counterparts: This Agreement has been executed in two counterparts, each of which shall be deemed an original, and each of which shall constitute one and the same instrument.

19. DISPUTE RESOLUTION:

i. In the event that any dispute arises between the Parties in connection with this Agreement, the construction of any provision of this Agreement or the rights, duties or liabilities of the Parties hereto under this Agreement, either Party may give the other written notice of the existence of the same and may call a meeting to resolve the same. Such meeting shall be held within fourteen (14) days of the date of such notice (unless otherwise agreed) and will be attended by senior management of both Parties (who have the authority to agree action(s) to be taken). The purpose of the meeting shall be to review and agree, so far as is practicable, the action to be taken to resolve the issue (s) raised and the Parties shall agree with each other in good faith to that end.

ii. If mutual resolution cannot be reached within thirty (30) days after the above period, either of the parties shall be free to refer such dispute to arbitration under the

Arbitration and Conciliation Act, 1996 by One (1) arbitrator. One arbitrator shall be appointed by mutual consent of both the Parties. The venue of arbitration shall be Mumbai. The arbitration proceedings shall be conducted in English. Any award made in such arbitration will be final and binding on the Parties.

iii. The Parties agree that all negotiations connected with the dispute shall be conducted in confidence and shall not be divulged to any unconnected third party.

20. GOVERNING LAWS:

This Agreement shall be governed by and construed in accordance with the laws of India. Any dispute that may arise in connection with the interpretation or implementation of this Agreement shall be submitted non-exclusively to the courts of Mumbai.

21. PRECEDENT:

In the event of any conflict or inconsistency between the terms of Annexures and this agreement, the terms of this agreement shall prevail.

IN WITNESS WHEREOF, the Parties hereto have through their respective duly authorized representatives executed this Agreement in two originals, the day and the year first hereinabove written.

- A. MLL IUTN Operation Team shall ensure deployments of urgent vehicle (GDS Movement) from PPC Team in view of changes in production schedules. MLL must take Premium freight portal approval on GDS movement from SCM head or deputed authorities assigned by M&M from time to time
- B. MLL IUTN Operation Team shall ensure vehicle placement should be done within 24hrs or as per mutually agreed time, from receipt of dispatch schedule from PPC Team.
- C. MLL IUTN Operation Team shall not accept any damaged aggregates unless it is proved that there is NO fault of MLL/ its BA
- D. ILS should be 100% from origin plant end (SCM / INBOUND LOGISTICS to drive for the same with Support from MLL team).

5. Transit Damages & Shortages:

- A. MLL IUTN Operation team / BA shall be responsible for delivering the materials in good condition.

- B. Any damages caused to aggregates/pallets during transit due to negligence of respective Business Partner, the cost will be recovered from MLL as per Transit Damage/Shortage Policy. Refer Annexure
- C. In case any material is found to be delivered in rusty condition & not in usable condition, the cost will be recovered from MLL as per Transit Damage/Shortage Policy.
- D. For short receipt of the aggregate against dispatched Qty from origin M&M Plant, the cost of short aggregate will be recovered from MLL, which will be debited to respective BA.

6. MIS:

- A. The service levels to be adhered are given below:

#	SLA	Target
1	Vehicle Deployment	Refer SLA F23
2	Transit Time Adherence	Refer SLA F23
3	Transit Damage	Refer SLA F23
4	MIS	100% Refer SLA F23
5	Transit Tracking	100% Refer SLA F23
6	Accidents	0% Refer SLA F23
7	Detention by authorities for want of documents en-route	0%

- B. The list of MIS documents to be submitted by MLL will be:

- 1) IUTN MIS – On daily basis.
- 2) Vehicle Tracking – shift wise
- 3) Transit Damages/Shortages Report – monthly
- 4) Accident Information – As & when such accident / incident happens need to inform SCM/Central team orally as well as by Mail. Incident report to be shared as per attached format with photograph.

AS – Inbound Operations

1. **Validity of the SOW:** This SOW is valid from 01st April 2022 & will expire on 31st March 2025

2. **Activities in Scope:**

- **MLL will be required to undertake the following activities as part of scope:**

- MLL Inbound Operation team must receive daily material triggers from SCM (Supply Chain Management) buyers in one day advance for Ex-works vehicle deployment. Digitalization on the said process need to work out.
- MLL IB Team share the trigger plan through Email / WhatsApp with respective Business Partners for appropriate vehicle deployment. Digitalization on the said process need to work out.
- MLL IB Team need to take follow up with respective BAs till vehicle deployment as per given trigger schedule.
- Business Partners need to ensure vehicle compliance points before deployment of vehicles at Supplier end, which will be monitored by MLL team (valid RTO documents, driving license, vehicle Insurance, etc. including vehicle condition, tarpaulin, belt etc.)
- All deployed dedicated vehicles have GPS installed and it should be in working condition. In the case of placing market vehicle, need to use SIM base GPS tracking.
- Post deployment of the appropriate vehicle, MLL IB operation team will share the deployment MIS with respective Supplier as well as respective SCM buyer through mail / WhatsApp in prescribed format. MLL must provide Trigger V/S Vehicle Deployment details to respective SCM Team / Central team at the EOD.
- MLL IB Operation team /BAs must ensure loading of the vehicle as per standard stacking norms at Supplier end to avoid damages during the transit. Location team must inform immediately with respective buyer if any improper handling or loading observed. MLL/BAs must ensure no vehicles should get dispatch from Origin points with improper loading & lashing.
- Before dispatching the loaded vehicle from supplier end, MLL IB Operation team need to ensure that vehicle drivers having all the required documents & E-Way Bill.
- MLL operation team will track the transits vehicles twice in a day & provide tracking reports to SCM Team through Email/WhatsApp in prescribed format.
- Once vehicle reported at the destination point, MLL IB Operation need to inform respective SCM buyer regarding arrival of the said vehicle & proper guidance to the BA Supervisor or vehicle driver for unloading activities.
- MLL must coordinate with Stores Team for unloading of the said vehicle smoothly.
- After unloading of the vehicle at store, Lorry Receipt with Acknowledgement from store need to submit by BA representative with MLL.
- Against stamped LR, MLL team will provide POD receipt to BA accordingly

- N. In case of returnable pallet/bins dispatches MLL must ensure digital invoicing along with E-Way Bill activities appropriately.

3. Operating Guidelines:

- A. MLL Operation Team shall adhere to the agreed upon SLA like Transit Time/vehicle placement/MIS etc.
- B. MLL Operation Team/BA shall ensure safe transit of materials & documents.
- C. MLL Operation Team shall facilitate proper tracking and monitoring of vehicle movements.
- D. MLL Operation Team/BA shall ensure seamless & incident free movements by adhering to all guidelines & ensuring all documents are properly processed specified by Govt of authorities.

4. Operating Procedure:

MLL Operation Team shall ensure deployments of urgent vehicle (GDS/Premium Movement) from SCM Team in view of changes in production schedules. MLL must take Premium freight portal approved mail from SCM Head / Buyers / assigned authorities. **For any Ad-hoc movements, follow the ADHOC approval policy Released by M&M will be followed from time to time.**

- A. MLL Operation Team shall ensure vehicle placement should be done within 24hrs or as per mutually agreed time, from receipt of indent from respective SCM Team.
- B. In case material is not ready at vendor end due to some reason, the MLL Operation team need to inform immediately to respective SCM buyer regarding this through mail or Phone.
- C. MLL Operation Team shall not collect the material which is not mentioned in the trigger or collect excess Qty. of the concern material (Require SCM Head approval to collect, if material is critical)
- D. MLL Operation Team shall not accept any damaged material or packages.
- E. ASN is must for the ex-works movements. Barcoding on the supplier invoices to be facilitated by SCM team of the location.
- F. ILS / SRM should be 100% from supplier end (SCM / INBOUND LOGISTICS to drive for the same with support from MLL).

5. Transit Damages & Shortages:

- A. MLL Operation team / BA shall be responsible for delivering the materials in good condition.
- B. Any damages caused to materials during transit due to negligence of respective Business Partner, the cost will be recovered from MLL as per Transit Damage/Shortage Policy.
- C. In case any material is found to be delivered in rusty condition & not in usable condition, the cost will be recovered from MLL as per Transit Damage/Shortage Policy.
- D. For short receipt of the materials against picked up from Supplier end, the cost of short material will be recovered from MLL, which will be debited to respective BA.

6. MIS:

- A. The service levels to be adhered are given below:

#	SLA	Target
1	Vehicle Deployment	Refer SLA F23
2	Transit Time Adherence	Refer SLA F23
3	Transit Damage	Refer SLA F23
4	MIS	100%
5	Transit Tracking	100%
6	Accidents	0% (Refer Transit Damage / Shortage Policy)
7	Detention by authorities for want of documents en-route	0%

- B. The list of MIS documents to be submitted by MLL will be:

- 1) Daily Vehicle Placement Report – On daily basis.
- 2) Vehicle Tracking – Twice in a day
- 3) Transit Damages/Shortages Report – monthly
- 4) Accident Information – As & when such accident / incident happens need to inform SCM/Central team orally as well as by Mail. Incident report to be shared as per attached format with photograph.

• Other Terms & Conditions

• Payments

- MLL will raise bills as per contracted rates.
- MLL to ensure M&M receives completed freight bills on time.
- Checking, submitting and approving the bills for payment.
- Auto Division to ensure payments made only as per contract rates.
- Payments to be made within 07 working days from the date of receipt of executable bills.
- MLL to follow up with the accounts department for timely disbursement of payments.
- MLL and Auto Division accounts jointly to ensure monthly account reconciliation for the out standings.

Logistics Intelligence

In order to control the inventory in supply chain and undisturbed flow of material to plant, Logistics service provider shall use their resources to provide intelligence regarding following activities.

- Possible transport strikes in the local regions and countrywide.
- Comparative rate benchmarking & best industry practices related to transportation.
- Effect of local festivals, processions, political disturbances on goods movement.
- Disruption due to natural calamities.
- Possible disruptions at Vendors place due to raw material shortages, labour disruptions etc.

This intelligence report to be sent as and when basis.

• Quality Of Work

It is imperative that the performance level of the service being provided by the logistics service provider be measured periodically with Key Performance Indicators/ SLAs. These are as per attached in annexure 3

A. Responsibility of MLL:

MLL's responsibilities include, but not limited to, the following:

- Ensuring Effective Service as detailed in the Scope of Work.
- Evolving and Implementation of Strategic and Innovative Plan including Conceiving and Implementing Cost Reduction Drive. MLL need to contribute to Logistics Cost Saving initiatives as defined in the SLA **Both teams will strive to implement the initiatives within pre agreed timelines.**
- Post negotiations, agreed rates for major routes, need to be justified by comparing the same with estimated cost and explaining the variances.
- Conceive and implement Strategy for consolidation / introduction of competitive BA.
- Submission of MIS as per agreed formats, periodicity and deadlines.
- Provide expert advice in the area of Logistics and Warehouse Management to improve M&M processes, operational efficiency and cost reduction as and when required and implement in pre agreed timelines
- MLL would adhere to Statutory provisions as well as rules/ guidelines issued by AD to ensure safety of personnel engaged in the operations, whether by AD, MLL or its Contractors.
- Timely placement of suitable vehicles. Need to have back up plan for deployment of trucks in case trucks are under breakdown/ Compliance issues to avoid production loss.

- Timely delivery of material.
 - Support is required from MLL for ADHOC movements of CDMM parts / R&D goods / Dies/ Machinery
- MLL to support with solutions related to Multi model Logistics movements like Trains etc.
- MLL to initiate Digital drive – Unified / Common GPS platform to track the vehicle status of critical parts to be done to avoid the delay in communication of critical parts.
- Transit time monitoring / tracking of critical movements. Improvement in Transit time Y-O-Y need to be demonstrated
- Facilitate satisfactory resolution of material which is "in-transit" for more than norm for transit time.
- Ensure documentation which are handed over to BA are safely carried and duly handed over to receiving Unit.
- Ensure documentations for interstate border movements, which are handed over to BA are duly handed over at the respective borders for Vehicle movements.

B. Responsibility of AD:

- Ensuring adherence to its role as per SOW.
- Support MLL for implementing Cost Reduction Targets particularly relating to reduction in avoidable costs eg. Guaranteed Delivery Service (GDS) Prevention, Demurrage, Premium / Special Freight etc.
- Propagate and implement initiatives to facilitate good turnaround of vehicles.
- Respond to MLL if it observes any discrepancy in the MIS submitted by MLL within 7 working days from receipt of MIS.
- Provide required access to MLL / MLL Officials to AD database / accounts to enable them to compile MIS and conduct analysis.
- Provide required access to M&M / M&M Officials to MLL database / accounts to enable them to compile MIS and conduct analysis.
- Timely release of schedules, ~~follow up with Plant Quality team for inspection~~

C. SLA's & Pre-requisites:

- **Vehicle deployment:**

Pre-requisites:

- Auto Division to share monthly tentative Pick-up plan from vendors by every month on 28th or next working day for next month.
- ~~— Auto Division to share 7 days day wise firm plan for the materials to be picked from vendors by every Friday for the next week.~~
- Vendors to adhere to window timings for loading and documentations.

19/61

- In case of any adhoc dispatches, Auto Division to ensure that the requirement is given 1 to 2 days in advance.
- It is assumed that Auto Division would ensure the minimum weight/volume criteria required to ensure smooth inbound transportation.
- Auto Division to ensure that turnaround time of each vehicle is not more than 2 hours inside the plant.

Turnaround time to be 70% within 2 Hrs & rest 30% within 4 Hrs. (This will be reviewed with the improvement of infrastructure)

- Auto division to ensure that the vendors should load the vehicles within 2 to 3 hrs after the receipt of the vehicle.
- In case of force majeure, the above measure of performance will not be applicable.

- **Transit Time adherence:**

Transit time adherence to be as per annexure 2

Pre-requisites:

- For all direct items transit time measurement to start from material actually dispatched from vendor till the time vehicle reaches the plant.
- For all Milk run movements the transit time measurement to start from the time material is actually dispatched from collection hub till it reaches the transport service provider's warehouse. Collection and consolidation lead time to be excluded from transit time calculation.
- The plant/ vendor has to mention the entry/ exit time on the receiving end and the plant security has to mention the reporting time and vehicle in time on the LR.
- In case of vehicles dispatched between 9 pm to 6 am, the start time will be considered as 06:00 hrs next morning. - refer annexure for TT matrix and conditions. (For any urgent consignments service provider to ensure timely delivery as per specified hours notwithstanding above point.)
- Transit time performance measurements do not include - Force majeure, vehicle confiscation by Govt. authority etc.
- Transit time for each route to be decided based on past data. Accident vehicle's Transit time should be excluded while computing MIS.
- MLL to review transit time performances of all plants monthly.

- **Transit Damage:**

20/61

Pre-requisites:

- All consignments would be under Auto division self-insurance, debit would be initiated on transport service provider as per damage policy and prior acceptance by both the parties.
 - Damages due to force majeure to be excluded from performance measurements. In case of accident, necessary documents (FIR, police panchnama & photograph of accident vehicle) to be submitted by MLL through its Business Associates.
 - Plant stores team would issue acceptance of material at destination with necessary remarks on Lorry Receipt / Invoice by receiving person with consent of the driver / transport service provider's representative. Damages declared after the acknowledgement will not be honoured by MLL.
 - Auto division to share information regarding any new modifications planned with MLL sufficiently in advance.
-
- **Bills Processing: Within 7 working days from the date of receipt of executable bills.**

Pre-Requisites

- Auto division to provide plant-wise single point contact for all transportation bills.
- MLL to acknowledge the date of receipt of transport service provider's bills at their end.
- MLL to submit bills deviated contract terms supported by necessary approval on mail. The same to be processed and cleared by accounts as an exception.
- MLL to ensure all adhoc transportation bills are certified by Head of the Department (HOD)'s or SCM heads to enable timely processing by MLL.
- All the premium mode of transportation to be certified through portal.
- Bill returned by accounts to be resubmitted within thirty working days from the date of return by MLL. The bills resubmitted have to be cleared in seven working days by respective accounts. Cases of exception to be cleared within 30 days jointly by accounts and MLL.
- Provision for the outstanding to be given by end of the month by MLL or as per M&M accounts specified date. Provisions should not exceed more than 6 months other than invoices kept on hold by M&M. Any such new provisions can be only provided if request is approved by Inbound LOGISTICS- head. Such request shall come from GM accounts (MLL).

- **Reimbursement of Operation Costs**

For IB / IUTN Transportation Services rendered, AD would pay MLL based on the contractual terms between MLL and its BA's (AD would award same terms to MLL in back-to-back arrangement). The payment would be made on the basis of invoice of MLL and the supporting documents. In other words, MLL would thus charge based on actual cost incurred for transportation. In case MLL is required to amend contracts with its BA's for reasons like fuel price increase, etc with retrospective effect AD will amend the terms accordingly.

It is clarified that AD would provide office space with basic office infrastructure in terms of basic furniture, basic fittings, power, water, communication & standard stationery items to service provider for functioning of daily routine activities. All other movable assets to be arranged by service provider. M&M AD will also provide common facilities like canteen and transportation to MLL employees. These facilities may be availed by service provider where costs can be mutually settled with plants/ contractor at plants.

1. Initiatives:

MLL to take following initiative jointly with respective plant SCM teams.

- Generating savings through increased consolidation of load.
- Reduction in premium mode of transportation.
- Rationalization of transport service providers.
- Actively participate in logistics cost saving initiatives.

2. Review & Escalation Mechanism:

AD INBOUND LOGISTICS shall periodically review the service level and associated issues with the service provider. The review calendar will be as below.

Reviews	Attendees	Frequency
Operation Review	SCM Head and MLL Location Head	Monthly
SLA Review	M&M (INBOUND LOGISTICS) and MLL Operations Head	Monthly

Escalation Mechanism:		
Issue	Resolution Time	Escalation beyond Resolution Time
Day to day Operational Issue	24 hrs.	SCM Head/ MLL Representative
Policy level Issues	1 Week	Sector SCM Head/ MLL Operation Head and GM

- **Other terms**

- All Standard Operating Procedures (SOPs) would be created on a mutually agreeable basis.
- Force majeure clauses shall be applicable, wherever appropriate.

Annexure II

Commercial Construct

a. Management fee:

M&M will pay to MLL as per construct given below:

AD			
Per veh fees (Rs)	L3 - Fixed	L4	L5
Min Guaranteed Volume - upto 6.5 lakh vehicles	180.0	184.5	189.3
Between 6.5-7.5 lakh vehicles	65.1	66.6	68.4
Between 7.5-8.5 lakh vehicles	54.9	56.1	57.6
Above 8.5 lakh vehicles	36.3	37.2	38.1

The volume numbers will be all units dispatched by M&M plants or minimum guarantee volume (whichever is higher) (irrespective of whether handled by MLL or not)

1. Fixed management fee payment will be made as per MG/12
2. Initial variable management fee payment would be made as per the values for L3 in the above table and would be paid out monthly. This will be the minimum fee payable to MLL.
3. Final variable management fee payment (SLA based) to be made at the end of financial year as per achievement of performance between L3 to L5.
4. For the above variable management fees linked to SLAs, all stakeholders – MLL and the M&M users will conclude the same. These SLAs will be operational in sync with the implementation of the RFQ and agreed terms with M&M sector operations teams AD management fee pay-out will be 70% for Outbound and 30% for inbound with similar SLA applicability

b. Savings share

MLL will work towards reducing freight cost for M&M. For these savings initiatives, MLL be paid a savings share of 15% for 12-month period, over and above the management fee. Savings delivered to M&M will be validated by the concerned teams quarterly at the end of June, Sept, Dec and March respectively and the payout will also be made accordingly'. If there is any difference, the same will be reconciled annually basis the financial year figures. The details of Savings exclusion & Inclusion list would be as per Appendix I.

c. Exclusions

- IT costs – details as per Appendix II for inclusion and exclusion.
- Management Fees for FOR movements - 6% for air freight and 8% for all

others. Transactional approval to be taken from central SCM head for any free delivery movt. Approval to be with freight cost & management fee mentioned separately. Submission of FOR invoices to be given inclusive these management fees with approval to MIBS.

- d. **Exclusivity** - M&M will work with MLL on an exclusive basis for the above services – Inbound transportation for AD as per the scope covered in Annexure I.

Appendix I – Savings Inclusion & Exclusion List

Sr No.	IB/OB	Inclusion	Remarks
1	IB/OB	Freight negotiated over and above current freight after RFQ process for any reduction	1. Base working for savings to be considered as last 12 months data 2. Savings to be considered for 12 months only from implementation date 3. Savings to be calculated based on actual volume and not on projected volume. 4. Ideas Implemented by MLL 5. All the ideas signed off by business is to be considered for saving sharing.
2	IB/OB	Freight cost reduction by renegotiation on other charges like collection charges, delivery charges, LR charges, Multiple pickup point charges etc	
3	IB/OB	Diesel Increase deferment	
4	IB/OB	Reduction in freight taken on account of improving TAT	
5	IB	Improve utilizations by implementing various levers such as correct vehicle type selection, vehicle modification.	
6	IB	Consolidations through cross docks over PTL or any other arrangements resulting savings	
7	IB	Synergies between business resulting in freight savings	
8	IB	Synergies between forward & reverse movement resulting freight savings	

Sr No.		Exclusion	Remarks
1	IB/OB	Only new or fresh ideas to be considered.	
2	IB/OB	Distance correction in routes	Distance correction in AD Outbound routes to be considered under saving sharing (base would be rates arrived after current RFQ process)
3	IB/OB	Current RFQ savings	
4	IB	For new movement or volume ramp-up always start with small vehicle type & as volumes pickup big vehicle type is deployed, such transitions will be excluded.	
5	IB	Repeated ideas on same route and same vehicle type from past years

6	IB	Any saving due to change in packing or part specs which are initiated by M&M	
7	IB	Any saving resulting due to localization of parts/supplier	
9	IB	Savings in premium freight	Air to Speed cargo, Air to Train, Pickup to 407 conversion etc

Appendix II

IT:

Costs factored in the MLL remuneration

1. Microsoft desktop applications (email, MS office basic)
2. SAP or equivalent and enterprise software used by MLL for its internal processes
3. HRMS or equivalent for MLL internal processes
4. MLL tracking software's & Transport management systems with base of FY21

Costs to be borne by M&M

1. M&M SAP to be used by MLL persons
2. Other M&M enterprise software to be used by MLL persons e.g., Premium freight portal, ILS etc
3. Telematics beyond what is provided by the Bas
4. Any extra specific service where new software license purchase is required.

M&M, Auto Division will raise monthly invoices for office rental to MLL as per below table:

		Per Month	Per Annum
Foundry Office Rent	@67.50 * 2600	1,75,500	21,06,000
AS Office Rent	@67.50 * 4036	2,72,430	32, 69,160
Total		4,47,930	53,75,160
